AMENDMENT

Sir:

In response to the Office Action mailed December 4, 2002, please amend the above-identified application as follows:

In the Claims:

A1
4. (Amended) The flexible non-foil-based retort packaging structure of claim 1, further comprising ink printed on the side of the layer of polyester that faces the layer of metallized polyester.

A2
9. (Amended) The flexible non-foil-based retort packaging structure of claim 6, further comprising ink printed on the layer of metallized polyester on an opposite side thereof from the layer of cast polypropylene, and a layer of a retortable lacquer covering the ink.

A3
12. (Amended) A flexible non-foil based retort package, comprising at least two opposing portions of the packaging structure of claim 6 having peripheral edge portions of the opposing portions heat-sealed together so as to form a pouch configuration.
